Hello Music Club!

This week we will be exploring **Broadway Musicals!**

- What is your **favorite musical**?
- Have **you** ever been to a **Broadway Show**?
- Did **you sing or act** when you were **in school**?

There are too many Broadway shows to discuss in one session, so we'll **focus** on **three shows**:

- **West Side Story**
- **The Phantom of the Opera**
- **Hamilton**

You can let us know your favorite songs from these shows (if you know some).

Here's one of my favorite songs to get us started:

Maria from **West Side Story**:

Hello Music Club!

This week we are celebrating all things **LOVE** in honor of **Valentine's Day!** 

What is **your favorite love song**?

Have **you and a partner** ever had a song that is "**your song**"?

Please bring the title of a favorite love song to share with the group.

We'll put together a Valentine's Day Playlist!

Here's one of my favorite love songs:

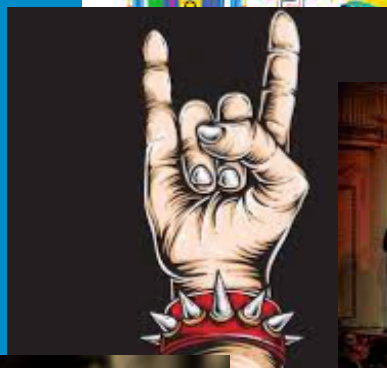

***Into the Mystic* by Van Morrison:**

Come gather round people wherever you roam...

Make it personal

Music sets the table, but the best content that comes out of our discussions is personal to the group members. It's about their feelings, memories, and opinions. I start with the song or the artist, and I bring it back to them.

Keep it fresh

- Don't be afraid to bring in things that don't fall into their favorite groups/songs preferences
 - Yo-Yo Ma and Opera week were big hits.
- "Teach me something new"
 - What's the difference between folk and country?
- Change it up. Change it up. Change it up.
