Volume 25, Issue 1 ♦ Spring 2022

Aphasia was in the News!

“Start where you are, use what you have, do what you can.”

~Arthur Ashe

By Roberta J. Elman, Ph.D.
President & Founder
Aphasia Center of California

Wednesday, March 30th began as any other day. Then the phone at the Aphasia Center of California began ringing “off the hook.” That morning, Bruce Willis’s family had announced that he was retiring from acting because he had aphasia. Suddenly, every media outlet in the world wanted to do a story about aphasia...and right away!

The biggest challenge was that the Willis family had stated that aphasia was causing Bruce to have cognitive deficits--something that is uncommon when aphasia occurs as a result of a stroke. We had the media’s focus, but, unfortunately, the explanation of aphasia that the media was given was inaccurate for the majority of people living with aphasia.

The Aphasia Center of California received media requests from across California for interviews and information. I was able to do on camera interviews with television stations in San Diego, Los Angeles, and the Bay Area. During those interviews, I did my best to share accurate information, emphasizing that aphasia is not a disorder of intellect.

Although most media interviews last a minute or two, my interview with Hal Eisner for the Los Angeles program, “In Depth” was much longer. This 7-minute interview allowed me time to explain in much more detail the causes and outlook for people who are living with aphasia. If you’re interested in watching this interview there is a direct link from our website

25th Anniversary Donors.....	page 6

After actor Bruce Willis (top photo) was diagnosed with Aphasia, ACC Founder Roberta Elman was interviewed by Hal Eisner on the “In Depth” news program.

www.aphasiacenter.org or on the ACC’s YouTube channel:
[www.Youtube.com/AphasiaCenterOfCalif](https://www.youtube.com/AphasiaCenterOfCalif)

In addition to calls from journalists, we worked hard to share aphasia information through our social media posts. Every day, we posted factual information about aphasia on the ACC’s Facebook, Instagram, and Twitter accounts. And many of these social media posts went “viral,” reaching many thousands of people! People really wanted to learn and share more about aphasia.

Media attention is now moving on to other stories of the day. But that media spotlight connected us with so many families living with aphasia who have now found a new, welcoming community at the ACC. Know that we continue to provide our exceptional program services, education, consultation, and advocacy for those

Aphasia Center News

Keeping Up-to-Date with ACC News!

If you'd like to keep up-to-date on everything that the ACC is doing (in between our bi-annual ACC newsletter issues), we post a few times a week on the ACC's Facebook, Instagram, and Twitter pages. In addition to sharing information about ACC programs and events, you'll find posts with useful educational information, news stories, and videos about aphasia, stroke, fitness, and nutrition. Please check it out and share the posts with family and friends!

Facebook page:

www.facebook.com/AphasiaCenterofCalifornia

Twitter and Instagram accounts:

@aphasia_acc

Book Club Groups at the ACC!

ACC speech-language pathologist, Lyssa Rome, is currently facilitating 3 weekly Book Club groups. Participants are reading and/or listening to the book at home and then coming together weekly on Zoom to discuss what they

have read. Aphasia book clubs can provide those living with aphasia with an opportunity to read for pleasure and discuss topics that are both interesting and relevant. We created our Book Connection™ program more than 20 years ago! All the supports we create including chapter highlights, character lists, and worksheets are available for purchase online. This enables speech-language pathologists to establish aphasia book clubs within their own communities! Another way the ACC makes a big impact for all those living with aphasia!

Birthday? Anniversary? Raise Aphasia Awareness?

We hope you'll always keep the Aphasia Center of California (ACC) in mind whenever you're getting ready to celebrate a birthday, anniversary, or any time you'd like to support the ACC! It's super easy to create a fundraiser and raise donations on Facebook. The best news is that every dollar raised is passed along to the ACC for support

of our innovative aphasia programs.

Here's the direct link that you can use to create a Facebook fundraiser: <https://www.facebook.com/fund/AphasiaCenterofCalifornia> And remember, if you ever need assistance in creating your fundraiser, please don't hesitate to contact us at 510.336.0112.

Thank you so much for your support!! YOUR donations are helping to improve the lives of so many people living with aphasia!

Aphasia Awareness Attire!

Be sure to check out our "Aphasia Awareness" Bonfire store where you can purchase an ACC t-shirt, tote, or mask to help raise aphasia awareness. All proceeds go towards funding programs at the ACC. Thank you in advance for helping to spread the word, one t-shirt, tote, or mask at a time! Here's the link to the Aphasia Center of California's store: <https://bonfire.com/store/aphasia-center/>

June is National Aphasia Awareness Month!!

Did you know that more than 2 million people in the United States are currently living with aphasia? Raising awareness of aphasia has been part of the ACC's mission since we opened our doors in 1996. Please help us spread the word! How? You can share information about aphasia with family, friends, and colleagues. Start by sending them the link to the Aphasia Center of California's website, so they can learn more about aphasia: www.aphasiacenter.org Then ask them to share the ACC's website link with all of their friends, too! And ask them to watch recent Dr. Elman's interview about aphasia:

<https://www.aphasiachallenge.org/2022interview>

Help us start a chain of aphasia awareness!
