

Rebuilding Communication. *Transforming Lives.*

September 2025

Dear friends, family, and community,

I'm taking part in a fundraiser for an incredible organization close to my heart, the **Aphasia Center of California (ACC)**, and I'd love your support!

For the next 3 months (September–November), I've joined the **Voices of Aphasia Challenge**, a fun way to raise awareness and funds for people living with aphasia, a language disorder caused by brain injury (like a stroke).

Aphasia can affect speaking, understanding, reading, and/or writing—each person experiences aphasia differently.

It does not affect thoughts, opinions, or intelligence.

Our goal is to **raise \$50,000** and reach **100 new donors**, and I'm hoping you'll help us get there. The first \$10,000 donated will be matched, so your gift goes twice as far!

You can support me by:

- Donating online: <https://bit.ly/AphasiaChallenge> or sending a check to the address below
- Sharing this cause with friends, family, and coworkers
- Learning more about aphasia at <https://www.aphasiacenter.org>

Thank you so much for helping me support this amazing community!

Warmly,
